ELIS SEIS- PO Modeling Report -EPA CMMTS V.273114 Main (DRAFT) (20Jul14).docx

Joe,

Although EPA would prefer to provide comments in letter to the contract manager, but in this case, it was not possible.

Therefore, my comments are provided in track changes. At this time, I have only reviewed the report up to page 23 and would like to have another project team call.

I will set up another call next week, please look for an email on Monday.

Are you all available Wednesday 9-10? Or in the afternoon to discuss? Please let me know of your availability and I will set up another call.

Thanks, Jeannie
